Franklinton Center at Bricks (FCAB) builds upon the lessons of history by creating forward looking programs that are relevant to the global struggle for justice and equality. FCAB has a rich and varied past, with many names and uses. Today it is a conference and retreat center where local, regional, national and international justice advocates, leaders and truth seekers continue to learn and do the work needed to transform lives.

To support Franklinton Center at Bricks we invite you to participate in the BRICK BY BRICK campaign. This campaign was reinvigorated by the Council of Elders and is a unique plan to build campus-wide walkways that will connect each building. These impressive walkways begin outside the doors of the Dr. Yvonne Delk Fellowship Hall in Hospitality House II facility.

For your \$200 gift, we will have your message placed on a standard (4"x8") brick which will be installed on the walkway. Your tax deductible donation will be greatly appreciated and will make you a part of a lasting legacy.
